Key Features/Tech

Quick Dry, Breathable

Features

- Ideal for sports where arm & hand muscles are used
- High density construction prevents stiffness, cramp and micro muscle injuries
- 360° compression around calf absorbs 'shockwave' effect on muscles, veins and joints
- Seamless 360° knit
- Shaped to fit design, supporting the body's natural angles
- Ready to brand
- Easy pull on and off
- Super soft quick dry fabric
- Thin and lightweight to maximise heat emission
- Helps improve blood flow during air travel
- Comfortable to wear
- Increases circulation and reduces lactic acid build up and muscle fatigue during exercise and running
- 2 per pack
