WOMEN'S PERFORMANCE SOFTSHELL

Our new Performance Softshell series combines clean Scandinavian design with high functionality, making it ideal for both outdoor adventures and everyday urban wear.

The minimalist look delivers a modern, versatile style that works just as well on the trails as it does in the city.
All styles are made from our premium three-layer 310 gsm fabric, engineered with 92% certified recycled polyester and 8% elastane. The fabric offers four-way stretch, excellent durability, flexibility, and comfort.
With 4.500 g/m²/24h breathability, 15.000 mm waterproof protection, and full windproof performance, it ensures reliable protection in changing weather conditions.

STYLE 9521

A functional softshell jacket featuring clean, stylish cutlines, comfortable cuffs, and waterproof SBS zippers for a modern, technical look. Designed with both style and practicality in mind, it includes two spacious front pockets, a chest pocket, and an adjustable hem for a customized fit.
Perfect for everyday wear, this jacket delivers the ideal balance of comfort, mobility, and reliable protection—whatever the weather.
