

WOMEN'S PURELITE BODYWARMER

The PureLite Series combines clean Scandinavian design with cutting-edge performance. Lightweight and stylish, it's ideal for both indoor and outdoor use, offering a perfect hybrid of sporty and casual. Designed for freedom of movement, it features a lightweight certified recycled 380T breathable fabric with Sorona by DuPont™ padding, Bionic-Finish® treated outer fabric, and ergonomic tailoring.

Designed with functionality and style in mind, this lightweight jacket is crafted from high-quality, breathable, and durable materials – perfect for all-season wear. Its clean, minimalistic design provides an ideal surface for embroidery or logo printing, making it an excellent choice for showcasing your brand or organization.

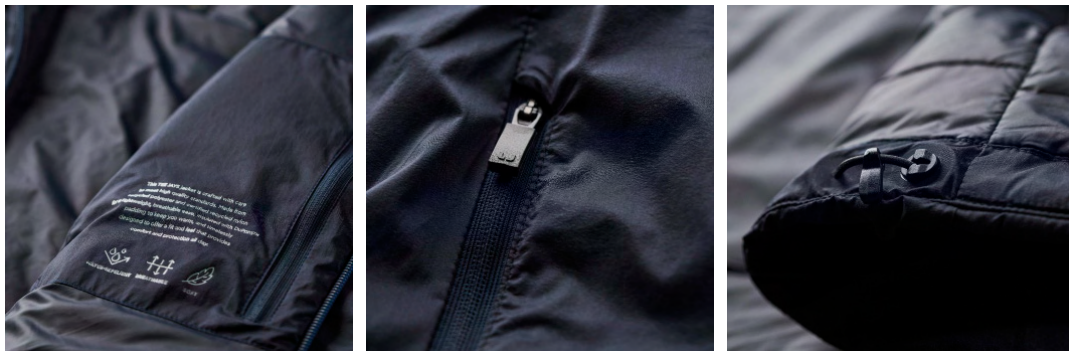

STYLE 9693

Exceptionally light and sleek bodywarmer for the office and travel. Perfect under a blazer, your favorite jacket or on its own. Slim fit. Featuring a two-way SBS zipper, two large front pockets and an inner pocket.

Weightless performance | Simply light, simply pure | Certified recycled fabrics | A lightweight stylish jacketline made for both indoor and outdoor use | Ease of movement | Airy luminous and sophisticated
